

St. John Parish Council Meeting

October 29, 2020

St. John Church

Attendance: Fr. Craig, Barb Manternach, Tom Schulte, Allen Lueckenotto, Dawn Tiedemann

Old Business-Tree removal:

- The derecho has overwhelmed Hupfeld's tree removal service. If we still intent to use him, we will have to wait until he can get caught back up.
- We will keep any eye out for someone who can remove our trees sooner. At this time, we are not in a hurry to get it done.

Building and Grounds

- We may have a new renter

Education

- Classes are going well. Some students are participating virtually, other parents are homeschooling their students.

Social Concerns

- The idea was proposed to have a space open in the back of church open to the public 24-7 for prayer and adoration. Citing liability and vandalism concerns, the council decided against having such a space available.
