Discussion:

Traditional Faith Formation: Feedback from two FFC members was heard but no comments from other families regarding home study faith formation. Jaci asked for assistance from committee members to follow up with members from our parish to have a conversation about the program and remind them of the need to submit their completion assessments to the cluster office. Jaci will provide us the names of families who should be contacted. Based on feedback a Q&A may be emailed to assist families with the expectations and process.

Site Coordinator: This position was not filled when Abby Whalen moved and due to remote learning for this academic year, was not needed. A job posting will be put in the bulletin and cluster website after Easter. The role would begin fall 2021.

Summer Faith Formation: No update.

Adult Faith Formation: Cathy reported that the new program is “Turning Point” by Dynamic Catholic which is about the Gospel of John. It is remote learning and participants are provided with a DVD, book, and workbook. A leader’s guide is available to host zoom meetings for greater discussions. Currently 25-30 members are enrolled.

This spring program of 33 Days to Morning Glory was interrupted by Covid. 45 people started the program but only 10 completed it.

Freshman Confirmation: Cathy reported that the courses are complete with 12 students participating. If possible, the class would still like to have a field trip or retreat.

10th grade Confirmation: Father reported that 15 students are participating. They have 2 classes left to attend. Confirmation has been scheduled for January 24, 2021 at Immaculate Conception.

Next meeting: Wednesday, February 10, 6:30pm at either Immaculate Conception or zoom.

No additional items were raised with the members

Adjournment:
