Discussion regarding mass servers. Fr. Craig said as soon as kids start to return to mass then he will train them. Will start with 3rd graders on up. He also plans to train retired adults to help since they are the ones in church. There is still no wine or sign of peace yet during mass.

Buildings & grounds: Dave and Allen Ehrman took care of mowing the lawn. Then hired someone which will be paid by the renter until he gets his lawn mower repair.

Member of the parish had the stump removed that was in front of the rectory.

We are still on the waiting list with Hupfeld Tree Removal service for them to remove the 3 ash trees around the church. If someone else knows of someone who can do it sooner let us know.

Dave noticed that there are some loose slate on the church roof.

Education: Summer classes started June 7th and they seem to be going well. Fr, Craig estimated that there are 40-50 K-8th graders participating.

Social Concerns: We are still helping with Mission of Hope. Recently we were making sack lunches for them. They will open up again on July 1st to serving hot meals. Then later this summer we will have collection for school supplies.

Parish Life: Flowers in the planters are being watered by Bonnie Lueckenotto, Mary Horst and Therese Fisher. Cleaning of the landscaping was done by Dawn Tiedemann, Randy and Linda Schmuecker. We honored 3 of our seniors-Jaden Thys, Luis Hernandez and Brian Delgado on May 16th.

Comments: Mass for July-December will be Saturday 6 pm.
Also was wondering when will start having music in our parish.

Next meeting will be Thursday September 9th at 6:30 pm.
